placed on the market by and produced in the factory of:

**AUTRONICA Fire and Security AS**  
Haakon VII's gate 4  
N-7483 Trondheim, Norway

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body – Nemko Certification AS - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

**EN 54-2:1997 / A1:2006**  
**EN 54-4:1997 / A1:2002 / A2:2006**

were applied and that the product fulfils all the prescribed requirements. This certificate was first issued on 27. February 2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
